15 CULL COWS & OVERAGE CLEAN

Sale following Clean Cattle
 Auctioneer: Richard Williams

A very short entry of overage cattle met another excellent trade. Best cattle sold up to 203 pence, £1,287.90. Most of the cows were Friesians which sold to 148p (£1,146).

1851 SPRING LAMBS

Sale at 9.15am

Auctioneer: William Probert

A reduced entry of lambs, a result of the fine hay making weather, met a blistering trade peaking at 294ppk with many runs of medium weight continentals selling from 270 – 294ppk. Weight and meat still in strong demand with all 46kg plus selling from £120 - £136 per head. A fantastic trade for the time of the year with it really paying to feed lambs for that extra finish. Overall SQQ 262ppk. The overall average price was £113.80 per head (average weight 43kg).

Top price per kilo: 294p for an entry from Mesr N & I Bevan, St Weonards.

Top price per head: £136 for an entry from Mr P Evans, Abergavenny.

506 CULL EWES & RAMS

Sale at 10.00 am

Auctioneer: Martyn Evans

An increased entry of ewes met slightly less demand as firms are already stocked for the forthcoming festival. Half the entry was made up with small Welsh and Speckle ewes. Top quality ewes in very short supply were the easiest sold. Continentals sold to £139, Suffolk's to £130, mules to £119. Considering the number of small and plain ewes forward the overall average was an acceptable £79.05. An entry of varied quality Rams sold to £125 and average £84.94.
