45 Clean Cattle, 40 Cull Cows & Cull Bull

Auctioneer: Richard Williams

A slightly larger entry of clean cattle forward met a better trade. Once again deadweight prices are falling which is not good news! I asked one vendor recently what price he was getting for his cattle and his response was "I don't know - I just need to move them!" Unfortunately the move towards deadweight means that farmers are price takers rather than price makers. This was predicted 20 years ago. At least in the market you have a transparent system and can always take your stock home. Better cattle sold particularly well peaking at 216 pence. Prices compared very favourably with most deadweight quotations.

Top price per kilo: 216p for an entry from Mesr DE & SJ Cheacker, Pilning.

Top price per head: £1,327.53 for an entry from the same vendor.
